By process of the adoption of the State Forest Land Management Rules on February 27, 2003, pursuant to ARM 36.2.523(5)(a), the Department of Natural Resources and Conservation, Trust Land Management Division, has adopted the above categorical exclusions for activities conducted on state forest lands. "Categorical Exclusion" refers to a type of action that does not individually, collectively, or cumulatively require an EA or EIS unless extraordinary circumstances occur (ARM 36.2.522(5)).

### Extraordinary Circumstances:

Will the activities affect the following in the project area? A "yes" answer will require a narrative explaining specific mitigation measures taken to eliminate the potential for impact. If the potential for impacts cannot be mitigated, then a MEPA analysis must be conducted.
